### START TALKING. Find a conversation starter for your group.

- What was the best thing that happened to you this past week?
- If you had this past week over again, what would you do differently?

### START THINKING. Ask a question to get your group thinking.

- As you reflect on Sunday's message, what one principle or insight stands out as being particularly helpful, insightful, or difficult to grasp?

### START SHARING. Choose a question to create openness.

- Read Colossians 3:5-17 to yourself.
- Reflecting on these verses, what strikes you most? Why?
- What is most challenging in these verses? Encouraging? New?
- If these verses were applied to our culture today, how would it change?
- When and where do you struggle the most with what's listed in verses 5-9?
- Pastor Maurice mentioned that positioning yourself in the right environment is one practical way to put to death what comes from the sinful nature. If you were to incorporate this strategy into your own life, how would your next week be different?

### START DOING. Commit to a step and live it out this week.

- Describe your life 1 year from now if you consistently applied the truth from text.
- Find someone you trust to be an accountability partner, if you don't have one already, that supports you in taking off what sin gave you and putting on what Christ gave you.

### START PRAYING. Be bold and pray with power.

- Pair in groups of 2 or 3. Tell each other how you can be prayed for regarding an issue of struggle. Pray for one another specifically for that issue.
